

Lorraine Dey - 732-539-5547

Over 30 years of Graphic Design and Illustration.

Design and print production for Manuals, Catalogs, brochures, and more.

A 30 year dedication to the design and illustration industry brings the ability to produce the quality results you expect, with an understanding of the importance in meeting tight production deadlines, within budget. Daily use of Adobe Illustrator, Photoshop, and InDesign, CS3 and CS4 in both Mac and PC environments. Package design, basic website design and HTML code, as well as Flash and PowerPoint presentation experience.

Original package structural design and graphic design.

Style concept development through to final production of a 12 pg. brochure _ Somfy Systems. Included technical illustrations and photo retouching.

Website front-end design.

Smaller brochures and ads.
